

art + fun play

艺术玩耍

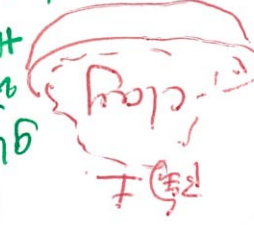

- threshold. 门槛.
界限.

a limit.
-thermometre.

Collage: 拼贴画.
[kɔ:lɑ:ʒ]

a low-fire white clay that glaze or acrylic paint nicely. it is fired, or a rich-tened that is handsome in itself. but that might stain children's if aprons are not worn.

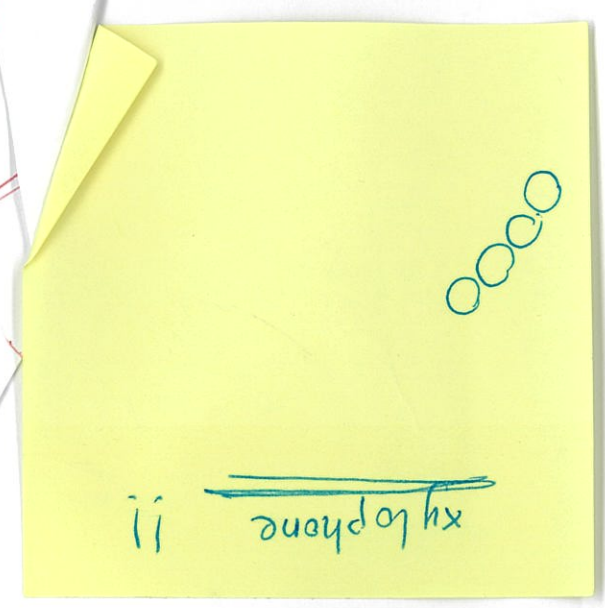

glue powdered pigments allergies. wheat paste

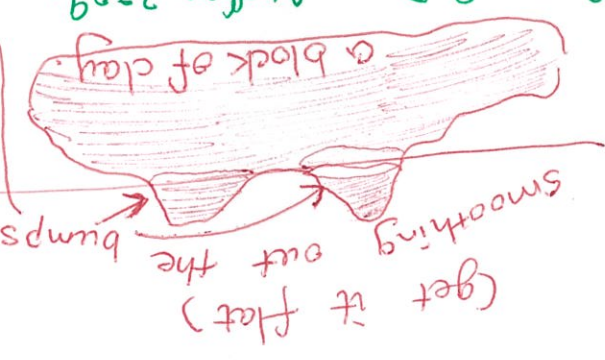

the color should not look transparent, water and washed out. A creamy texture that flows off the brush pleasingly rather than clumping in globes is desired. pictorial space

xylophone

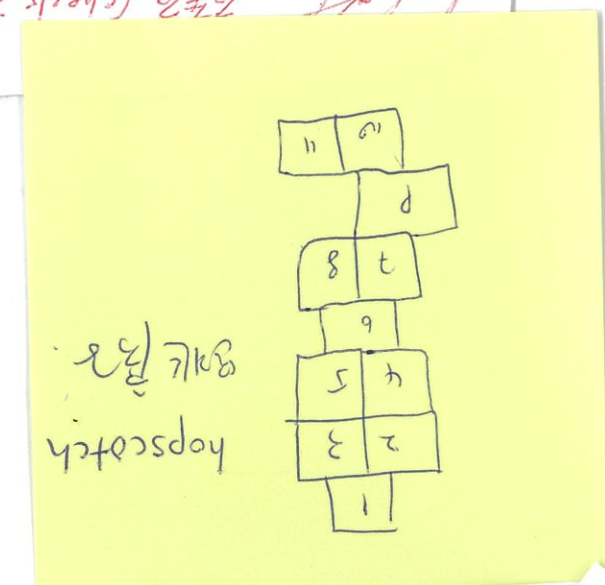

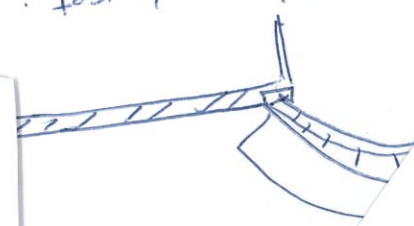

Liz Rogers & Dana Steffen 2009.

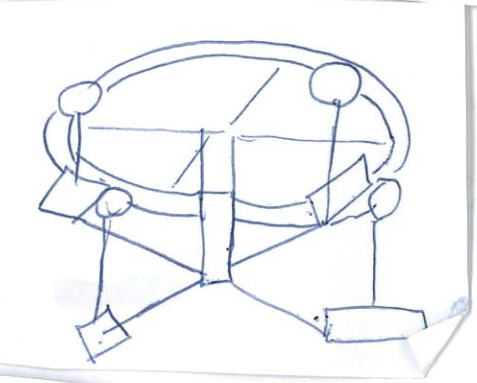

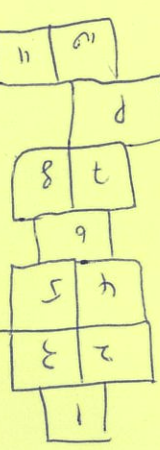

made a sneaky hole, candleholder.
"What if you push it with your belly?"
"It might get on your clothes."
"Not if you put your shirt up!"
a cracked pattern emerges
a crackle inspiring on interesting hypotheses and capturing the attention of the naturally formed from "smoothing out the bumps".

Climber playset

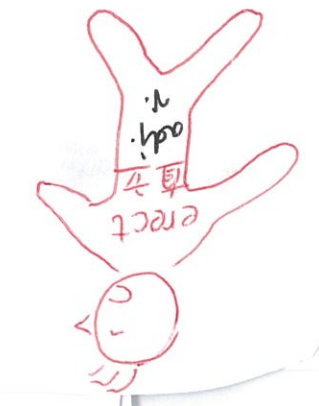

Outdoor
tiny little seeds
rubble. (check it for rubble.)

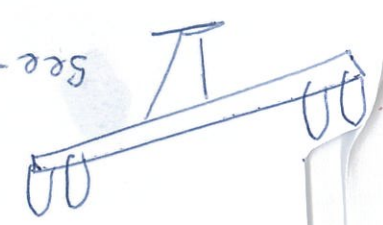

merry go round

spring horse

swing

See-saw

discourse, demonstrating governments' interest in nurturing the human capacities of their population.

afraid some
technology, 2006.
